NOTE TO REVIEWERS

In this notice we are limiting eligible applicants to organizations that would serve the State of Delaware because no applicant from the FY 2006 competition that proposed to serve the State of Delaware was of sufficient quality to show that its proposed project was likely to succeed in meeting the purposes of the PIRC program. One of the main objectives of the FY 2006 competition was to have a PIRC project to assist parents in each State. At least one application was funded in each of the other States from the FY 2006 competition to implement a PIRC project through September 30, 2011.

Except for the eligible applicants being limited to Delaware, there are no substantive changes in this FY 2007 notice.

Faith-based and community organizations are eligible to apply for funding provided that they are nonprofit organizations, as defined elsewhere in this notice.

For an application submitted by a consortium that includes a nonprofit organization and one or more LEAs the nonprofit organization must serve as the applicant and fiscal agent for the consortium. State and local governments, including LEAs, intermediate school districts, and schools, are not eligible to submit an application on behalf of a consortium or serve as the fiscal agent of a PIRC grant.

Applications proposing to implement PIRC projects in other States and applications proposing PIRC projects to serve more than one State (even if an application includes services to the State of Delaware) will not be considered.

Note: We define the term nonprofit organization for purposes of the PIRC program as an organization that--

(1) Is owned and operated by one or more corporations or associations whose net earnings do not benefit, and cannot lawfully benefit, any private shareholder or entity, as set forth in 34 CFR part 77; and

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the PIRC program is to help implement successful and effective parental involvement policies, programs, and activities that lead to

improvements in student academic achievement and strengthen partnerships among parents, teachers, principals, administrators, and other school personnel in meeting the educational needs of children.

The PIRC program supports school-based and school-linked parental information and resource centers that--

(1) Help implement effective parental involvement policies, programs, and activities that will improve children's academic achievement;

(2) Develop and strengthen partnerships among parents (including parents of children from birth through age five), teachers, principals, administrators, and other school personnel in meeting the educational needs of children;

(3) Develop and strengthen the relationship between parents and their children's school;

(4) Further the developmental progress of children assisted under the program;

(5) Coordinate activities funded under the program with parental involvement initiatives funded under section 1118 and other provisions of the Elementary and Secondary Education Act of 1965, as amended (ESEA); and

(6) Provide a comprehensive approach to improving student learning, through coordination and integration of Federal, State, and local services and programs.

The Secretary reminds all applicants that section 5563(b) of the ESEA, as amended, requires each PIRC grantee to meet several specific conditions. The Secretary strongly encourages all applicants to review each of these conditions carefully to ensure that their applications appropriately address each of the areas addressed by section 5563(b).

Priorities: We have established five competitive preference priorities that are explained in the following paragraphs. One competitive preference priority is from the regulations in 34 CFR 75.225, another competitive preference priority is from the statute for this program, and the other three competitive preference priorities are from the notice of final priorities and eligibility requirements (NFP) for this program, published in the March 27, 2006 issue of the Federal Register (71 FR 15308).

Competitive Preference Priorities: The competitive preference priorities are explained in the following paragraphs.

Competitive Preference Priority 1 - Novice Applicants

In accordance with 34 CFR 75.105(b)(2)(ii), this priority is from the regulations in 34 CFR 75.225. For FY 2006 this priority is a competitive preference priority. We give 5 additional points to each novice applicant. These points will be in addition to any points the applicant earns under the selection criteria and other competitive preference priorities.

For the purposes of this grant competition a novice applicant is--

(1) An applicant for a grant from the Department that--

-

(a) Has never received a grant or subgrant under the program from which it seeks funding;

(b) Has never been a member of a group application, submitted in accordance with 34 CFR 75.127-75.129, that received a grant under the program from which it seeks funding; and

(c) Has not had an active discretionary grant from the Federal Government in the five years before the deadline date for applications under the program.

(2) In the case of a group application submitted in accordance with 34 CFR 75.127-75.129, a group that includes

only parties that meet the requirements of paragraphs (1) (a) through (c) of this priority.

For the purposes of paragraph (c) of this priority, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

Competitive Preference Priority 2 -- Early Childhood Parent Education

In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from section 5563(b)(10) of the ESEA (20 U.S.C. 7273b). For FY 2006 this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(i) we award up to an additional 10 points to an application, depending on how well the application meets this priority.

This priority is:

This priority supports applications that would implement effective plans to use at least 30 percent of the funds received in each fiscal year to establish, expand, or operate Parents as Teachers programs, Home Instruction for Pre-school Youngsters programs, or other early childhood parent education programs.

Competitive Preference Priorities 3, 4, and 5: These priorities are from the NFP for this program, published in

the March 27, 2006 issue of the Federal Register. Under 34 CFR 75.105(c)(2)(i) we award up to an additional 30 points to an application, depending on how well the application meets these priorities. The maximum possible points for each priority are indicated in parentheses following the name of the competitive preference priority.

These priorities are:

Competitive Preference Priority 3 -- Statewide Impact of PIRC Services (15 points)

This priority supports applications that would implement broad statewide strategies to provide parents from across the State, particularly parents who are educationally or economically disadvantaged, with services that enhance their ability to participate effectively in their child's education, including their ability to communicate effectively with public school personnel in the school that their child attends.

Competitive Preference Priority 4 -- Understanding State and Local Report Cards and Opportunities for Public School Choice and Supplemental Educational Services (10 points)

This priority supports applications that would implement activities that effectively assist parents in

understanding State and local report cards under Title I of the ESEA and, in cases where their child attends a school identified as in need of improvement, corrective action, or restructuring under Title I, in understanding their options for public school choice or supplemental educational services.

Competitive Preference Priority 5 -- Technical Assistance in the Implementation of Local Educational Agency and School Parental Involvement Policy under Section 1118 of the ESEA (10 points)

This priority supports applications that would provide technical assistance in the implementation of LEA and school parental involvement policies under Title I of the ESEA in order to improve student academic achievement and school performance.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 76, 77, 79, 81, 82, 84, 85, 86, 97, 98, and 99.

(b) The notice of final priorities and eligibility requirements for this program, published in the March 27, 2006 issue of the Federal Register (71 FR 15308).

III. Eligibility Information

1. Eligible Applicants: Nonprofit organizations, or consortia of nonprofit organizations and local educational agencies (LEAs) proposing a PIRC project to serve the State of Delaware. The Secretary seeks to have a PIRC project to assist parents in each State. We are limiting eligible applicants to organizations that would serve the State of Delaware because no applicant from the FY 2006 competition that proposed to serve the State of Delaware was of sufficient quality to show that its proposed project was likely to succeed in meeting the purposes of the PIRC program. At least one application was funded in each of

the other States from the FY 2006 competition to implement a PIRC project through September 30, 2011.

Faith-based and community organizations are eligible to apply for funding provided that they are nonprofit organizations, as defined elsewhere in this notice.

For an application submitted by a consortium that includes a nonprofit organization and one or more LEAs the nonprofit organization must serve as the applicant and fiscal agent for the consortium. State and local governments, including LEAs, intermediate school districts, and schools, are not eligible to submit an application on behalf of a consortium or serve as the fiscal agent of a PIRC grant.

Applications proposing to implement PIRC projects in other States and applications proposing PIRC projects to serve more than one State (even if an application includes services to the State of Delaware) will not be considered.

Note: We define the term nonprofit organization for purposes of the PIRC program as an organization that--

(1) Is owned and operated by one or more corporations or associations whose net earnings do not benefit, and cannot lawfully benefit, any private shareholder or entity, as set forth in 34 CFR part 77; and

(2) Represents the interests of parents of pre-school and school-age children (including parents who are educationally or economically disadvantaged); or is governed by a board of directors whose membership includes such parents.

2. Cost Sharing or Matching: Section 5565(a) of the ESEA requires that, after the first fiscal year of an award, a portion of the services provided by the organization or consortium must be supported through non-Federal contributions, either in cash or in kind.

Therefore, the Secretary strongly encourages each potential applicant to notify the Department by sending a short e-mail message indicating the applicant's intent to submit an application for funding. The e-mail need not include information regarding the content of the proposed application, only the applicant's intent to submit it. This e-mail notification should be sent to Fatimah Dozier at fatimah.dozier@ed.gov.

Applicants that fail to provide this e-mail notification may still apply for funding.

Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the selection criteria and competitive preference priorities

that reviewers use to evaluate your application. The Secretary strongly encourages applicants to limit Part III to the equivalent of no more than 50 pages, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.

- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).

The suggested page limit does not apply to Part I, the cover sheet; Part II, the budget section, including the narrative budget justification; Part IV, the assurances and certifications; or the one-page abstract, the resumes, the bibliography, or the letters of support. However, you must include all of the application narrative in Part III.

5. Funding Restrictions: We reference regulations outlining funding restrictions in the Applicable Regulations section of this notice.

6. Other Submission Requirements. Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the PIRC program, CFDA Number 84.310A must be submitted electronically using the Grants.gov Apply site at: <http://www.grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written

statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for the PIRC program at: <http://www.grants.gov>. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search.

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are time and date stamped. Your application must be fully uploaded and submitted, and must be date/time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date/time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov,

we will notify you if we are rejecting your application because it was date/time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>

- To submit your application via Grants.gov, you must complete all of the steps in the Grants.gov registration process (see <http://www.Grants.gov/GetStarted>). These steps include (1) registering your organization, (2) registering yourself as an Authorized Organization

Representative (AOR), and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/assets/GrantsgovCoBrandBrochure8X11.pdf>). You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to successfully submit an application via Grants.gov.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information typically included on the Application for Federal Education Assistance (ED 424), Budget Information--Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable

Document) format. If you upload a file type other than the three file types specified above or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- After you electronically submit your application, you will receive an automatic acknowledgment from Grants.gov that contains a Grants.gov tracking number. The Department will retrieve your application from Grants.gov and send you a second confirmation by e-mail that will include a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System:

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically, or by hand delivery. You also may mail your application by following the mailing instructions as

described elsewhere in this notice. If you submit an application after 4:30 p.m., Washington, DC time, on the deadline date, please contact the person listed elsewhere in this notice under For Further Information Contact, and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number (if available). We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: Extensions referred to in this section apply only to the unavailability of or technical problems with the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission

requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because--

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Steven L. Brockhouse, U.S. Department of Education, 400 Maryland

Avenue, SW., room 4W229, FB6, Washington, DC 20202-5970.

FAX: (202) 205-5630.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

V. Application Review Information

Selection Criteria: The selection criteria for this competition are from 34 CFR 75.210 of EDGAR. The maximum score for all the selection criteria is 100 points. The maximum score for each criterion is indicated in parentheses. Each criterion also includes the factors that the reviewers will consider in determining how well an application meets the criterion. The Note following selection criterion (g) is guidance to help applicants in preparing their applications, and is not required by statute or regulations.

The selection criteria are:

(a) Need for project (10 points). The Secretary considers the need for the proposed project. In determining the need for the proposed project, the Secretary considers the extent to which the proposed project will provide services or otherwise address the needs of students at risk of educational failure.

VI. Award Administration Information

1. Award Notices: If your application is successful, we will notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your

approved application as part of your binding commitments under the grant.

3. Reporting: At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118. For specific requirements on grantee reporting, please go to the ED Performance Report Form 524B at

<http://www.ed.gov/fund/grant/apply/appforms/appforms.html>

4. Performance Measures: We have established three performance indicators for the PIRC program. These performance indicators are: (1) The number of parents who are participating in PIRC activities designed to provide them with the information necessary to understand their state accountability systems and the rights and opportunities for supplemental services and public school choice afforded to their children under section 1116 of the ESEA; (2) the percentage of customers (parents, educators in State and local educational agencies, and other audiences) reporting that PIRC services are of high

quality; and (3) the percentage of customers reporting that PIRC services are highly useful to them.

The Department intends to collect data for the first indicator through annual performance reports and to collect data for the second and third indicators through a customer satisfaction survey to be administered for the first time in 2007.
